Published by the Senior Class  
Lewistown High School  
Lewistown, Pennsylvania

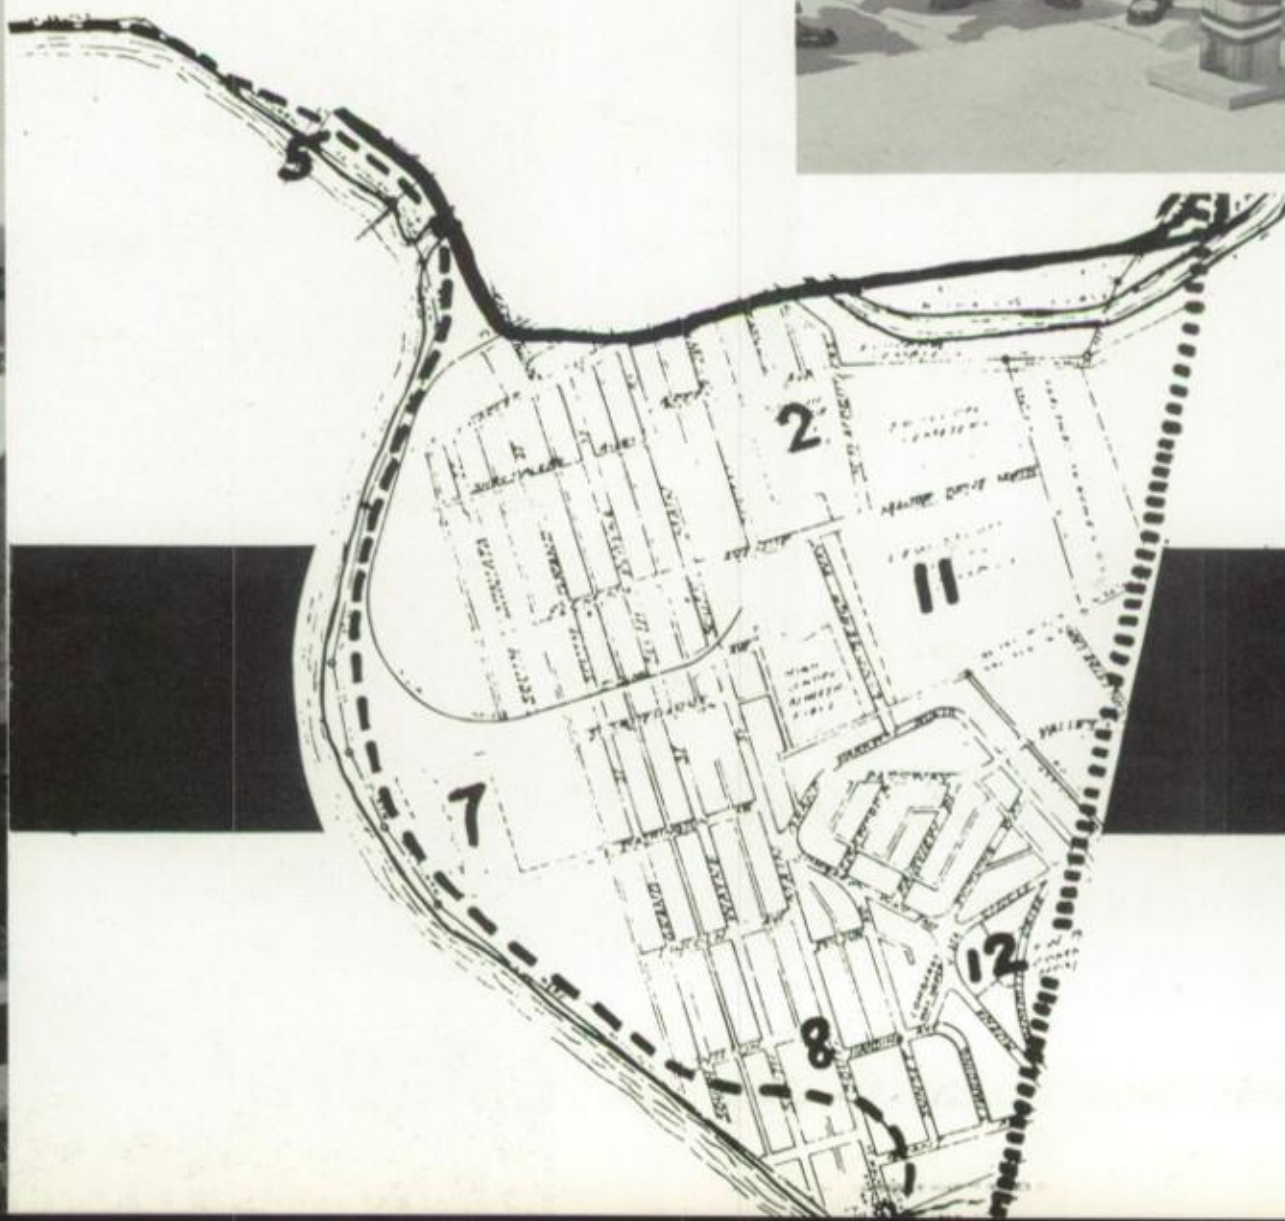

It was in July, 1957, that the huge earth moving machine started digging away on the road that was to ease traffic north and west through a growing Lewistown. This was the time we, as sophomores, were entering Senior High School.

In the construction of this roadway, we realize the planning, the toil, and the money needed to make it a success. As students of Lewistown High School, we, too, are building for future success.

On July 1, 1959, the Secretary of the Pennsylvania State Highways Department, with a hatchet made by the Mann Edge Tool Company, severed the rayon ribbon made by the American Viscose Corporation as he officially opened the new \$6,000,000 Lewistown highway.

OPENING of new highway, July 1, 1959.

## *To one who has instilled a courageous spirit,*

It is with the greatest of pleasure that we honor Mr. Alexander Ufema with the dedication of our LORE.

Mr. Ufema came to our school in 1946 after serving three years in the United States Navy, nineteen months of this time having been spent in combat areas of the South Pacific Islands. Prior to 1946 he had been graduated from Waynesburg College and had coached and taught at Bentleyville and at Beaver Falls High Schools.

In the fourteen years he has spent with us, Mr. Ufema has won the acclaim of students, sports enthusiasts, and the community. Many of our townspeople know him only as our football coach, but the students can attest to his guidance and planning in the classroom and to his assistance which is always available.

Under Mr. Ufema's reign as football coach, our school has won two Western Conference Football Championships, and, during the past football season, the 100th victory was attained by defeating Huntingdon High School in the final game of the season. Football teams under his direction have won 100 games, lost 33, and played 5 ties—truly the outstanding coaching record in the history of our school. Mr. Ufema coached basketball until the 1957-58 season and during this time won five Mountain League Championships.

Mr. Ufema, vigorous and enthusiastic, living by his doctrine "humble in victory and gracious in defeat," has earned the respect of students and co-workers alike.

# DEDICATION

*we dedicate  
our Lore.*

## Alexander Ufema

IMMEDIATELY AFTER a football game has been played, Mr. Ufema previews the film of this game. He then calls in the squad for a session of constructive criticism.

ALL FISHING GEAR is placed into the car trunk, and Coach Ufema is ready to take off for his favorite pastime.

LIVE A HEALTHFUL outdoor life is advice practiced by Mr. Ufema. Here he is ready to enjoy extra-distance and precision casting with his new rod.

CAUGHT ONE? Our angler knows from that balance and feel that breakfast will soon be in the frying pan.

MR. RICHARD H. BARTHOLOMEW

The years you have spent in the Lewistown Public Schools have been happy years. The times have been both exciting and challenging. You are now products of the great American Public School System.

As we listen to the critics of our schools, let us remind them that this American system of education which they criticize is the same one from which came the people who built the first atomic bomb; who flew the first airplane; who launched the first atomic submarine; who led the world in thermonuclear experiments; who developed mass industrial production of automobiles, bathtubs, and telephones; and who, by the way, gave the world sulfa drugs, terramycin and the Salk vaccine.

Our system of education seeks to develop citizens who can make intelligent choices in a free society. We shall need mathematicians and scientists to explore new frontiers; business and labor leaders who can make our economic system work; legal minds and public administrators who are honest and can operate a government of free men in a complex technological age; and doctors and nurses for health of body and mind. We shall need musicians, ministers, artists, poets and novelists who can serve the spiritual and esthetic aspirations of a free people. And above all, we need qualified educators to teach all people who will enter these callings. These are the highways along which education must travel today.

## SUPERINTENDENT

Our generation has developed a faster and more efficient system of transportation and communication than man has experienced in all history. Improvements will continue as we move toward the twenty-first century. The increase in the number and kind of motor vehicle has ushered in a new type road. This involves changes and challenges.

Education has and must continue to keep pace in meeting the needs of a fast moving and changing society. Courses of study, methods of teaching and learning, and the building and use of different facilities will replace the old so as to provide students with the needed tools, knowledges, skills, understandings and attitudes for future living.

You, the L.H.S. seniors of 1960, are taking with you the kind of education which will help make you worthwhile citizens of our great country. You will need to couple this with an abiding faith and a sincere loyalty for high religious and ethical values. As citizens and leaders, your support through action is needed as never before for an intelligent, unshakable dedication to the universal ideals of freedom, justice and peace which is the very heart of our American heritage.

# SENIORS

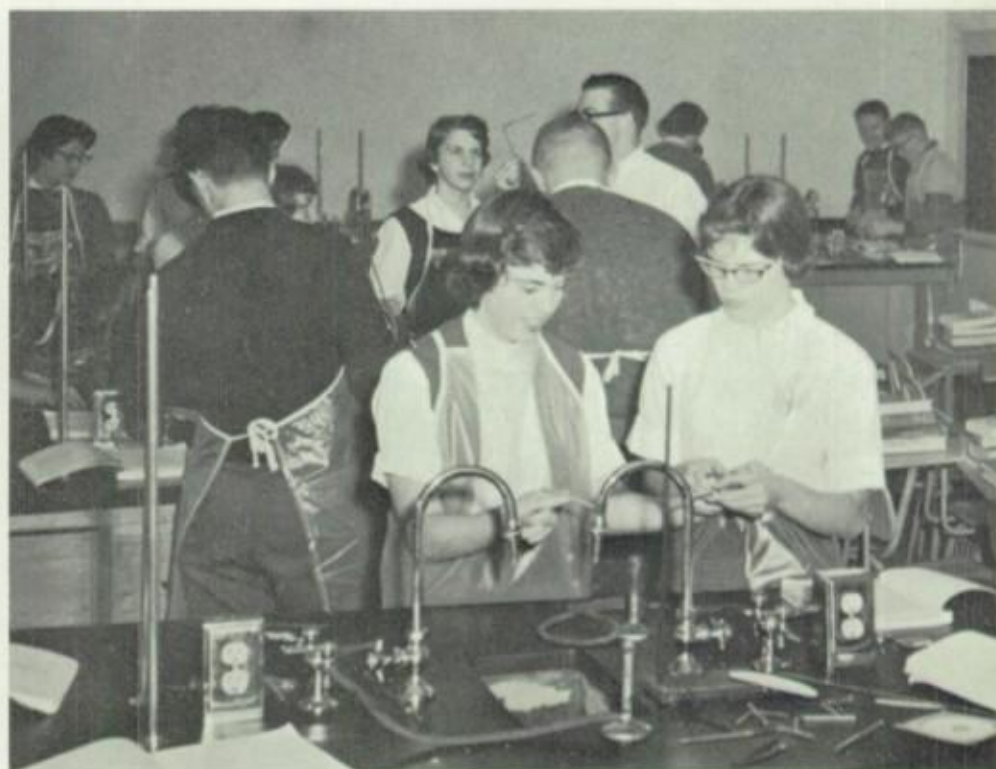

*To insure a brighter future for the roads ahead,*

IN FRENCH II the students, under the direction of Mr. Amash, are dramatizing a scene from the French play, "Maitre Pierre Pathelin." Standing are: Jim Beers, Betsy Baldwin, David Treaster. Seated are: Franny McMeen, Joanne Leber and Linda Markley.

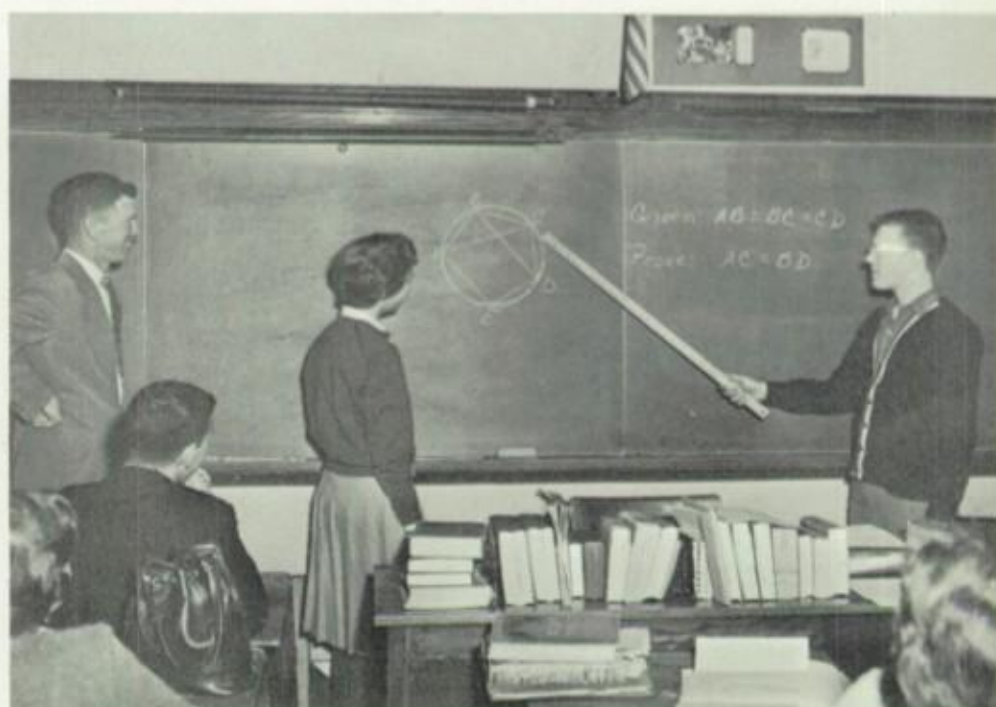

LABORATORY EXPERIMENTS in bending glass in the newly equipped Chemistry Room prove interesting to Ann Mauery, Virginia Smith and classmates.

## COLLEGE PREPARATORY

MR. HOUSER, Sharon Dougherty and James MacMullen are reviewing a theorem in Geometry Class.

THE WITCHES SCENE from "Macbeth" is enjoyed by an English Class. Left to right: Ronald Himes, Donald Carodiskey, Calvin Spigelmyer, Leonard Eby, Art Sellers.

"ALAS, POOR YORICK! I knew him well," speaks Don Noerr as Hamlet in company with Horatio, (Dave Irvin), and grave diggers, Carole Palm and Betsy Baldwin.

AUTUMN FINDS these senior pre-engineering students becoming familiar with the transit.

## PRE- ENGINEERING

## COMMERCIAL

THIS STENOGRAPHY II Class requires proficiency in shorthand along with skill in transcription, which includes spelling, grammar, and punctuation.

LEARNING TO OPERATE office machines such as they will encounter in the future are, *left to right*: Helen Cavanaugh, Madeline Bickhart, Gwen Ferguson, Teddy Yeager, Phyllis Rupert, Connie Varner, Esther Stryker, and Patty Loht.

BASIC TYPEWRITING techniques, different styles of business letters, tabulated and office forms, are practiced in this class. Mr. Stuck, instructor, discusses a problem with a pupil.

## GENERAL AND HOME ECONOMICS

CURRENT EVENTS are studied in American History Class. Pat Allen and Walter Ciecierski discuss the merits of the *New York Times*.

JOLENE FRYMYER is placing enameled jewelry into a small furnace which melts and fuses colored glass into designs. This is one of the arts and crafts projects.

THESE SENIOR GIRLS, Judy Miller, Ruth Koontz, and Barbara Earnest, learn homemaking fundamentals in cooking class.

IN SEWING CLASS we see Barbara Thomas sewing on a jacket, Patricia Swan making a skirt, and Jane Worley marking darts on a pattern.

PLENTY OF EXERCISE is received by the "pyramid builders" in this Junior High gym class.

*we prepare ourselves for various careers.*

VOCATIONAL STUDENTS electing the machine shop program of studies receive ample instruction in the operation of the engine lathe. Mr. Fluke checks the work of Thomas Daubert and Nelson Wray.

BASIC AUTOMOBILE ENGINE instruction begins with engines mounted on stands. Students then progress to chassis, electrical system, and body work. Leroy Davis, Gail Latchford and James Reigle are demonstrating to Mr. Lontz.

SAFETY IS MAINTAINED in the electrical shop through proper distribution of electricity. Russell Myers, Nelson Collins, and Tom Dimeo are at the distribution panel with instructor, Mr. Reed.

## VOCATIONAL

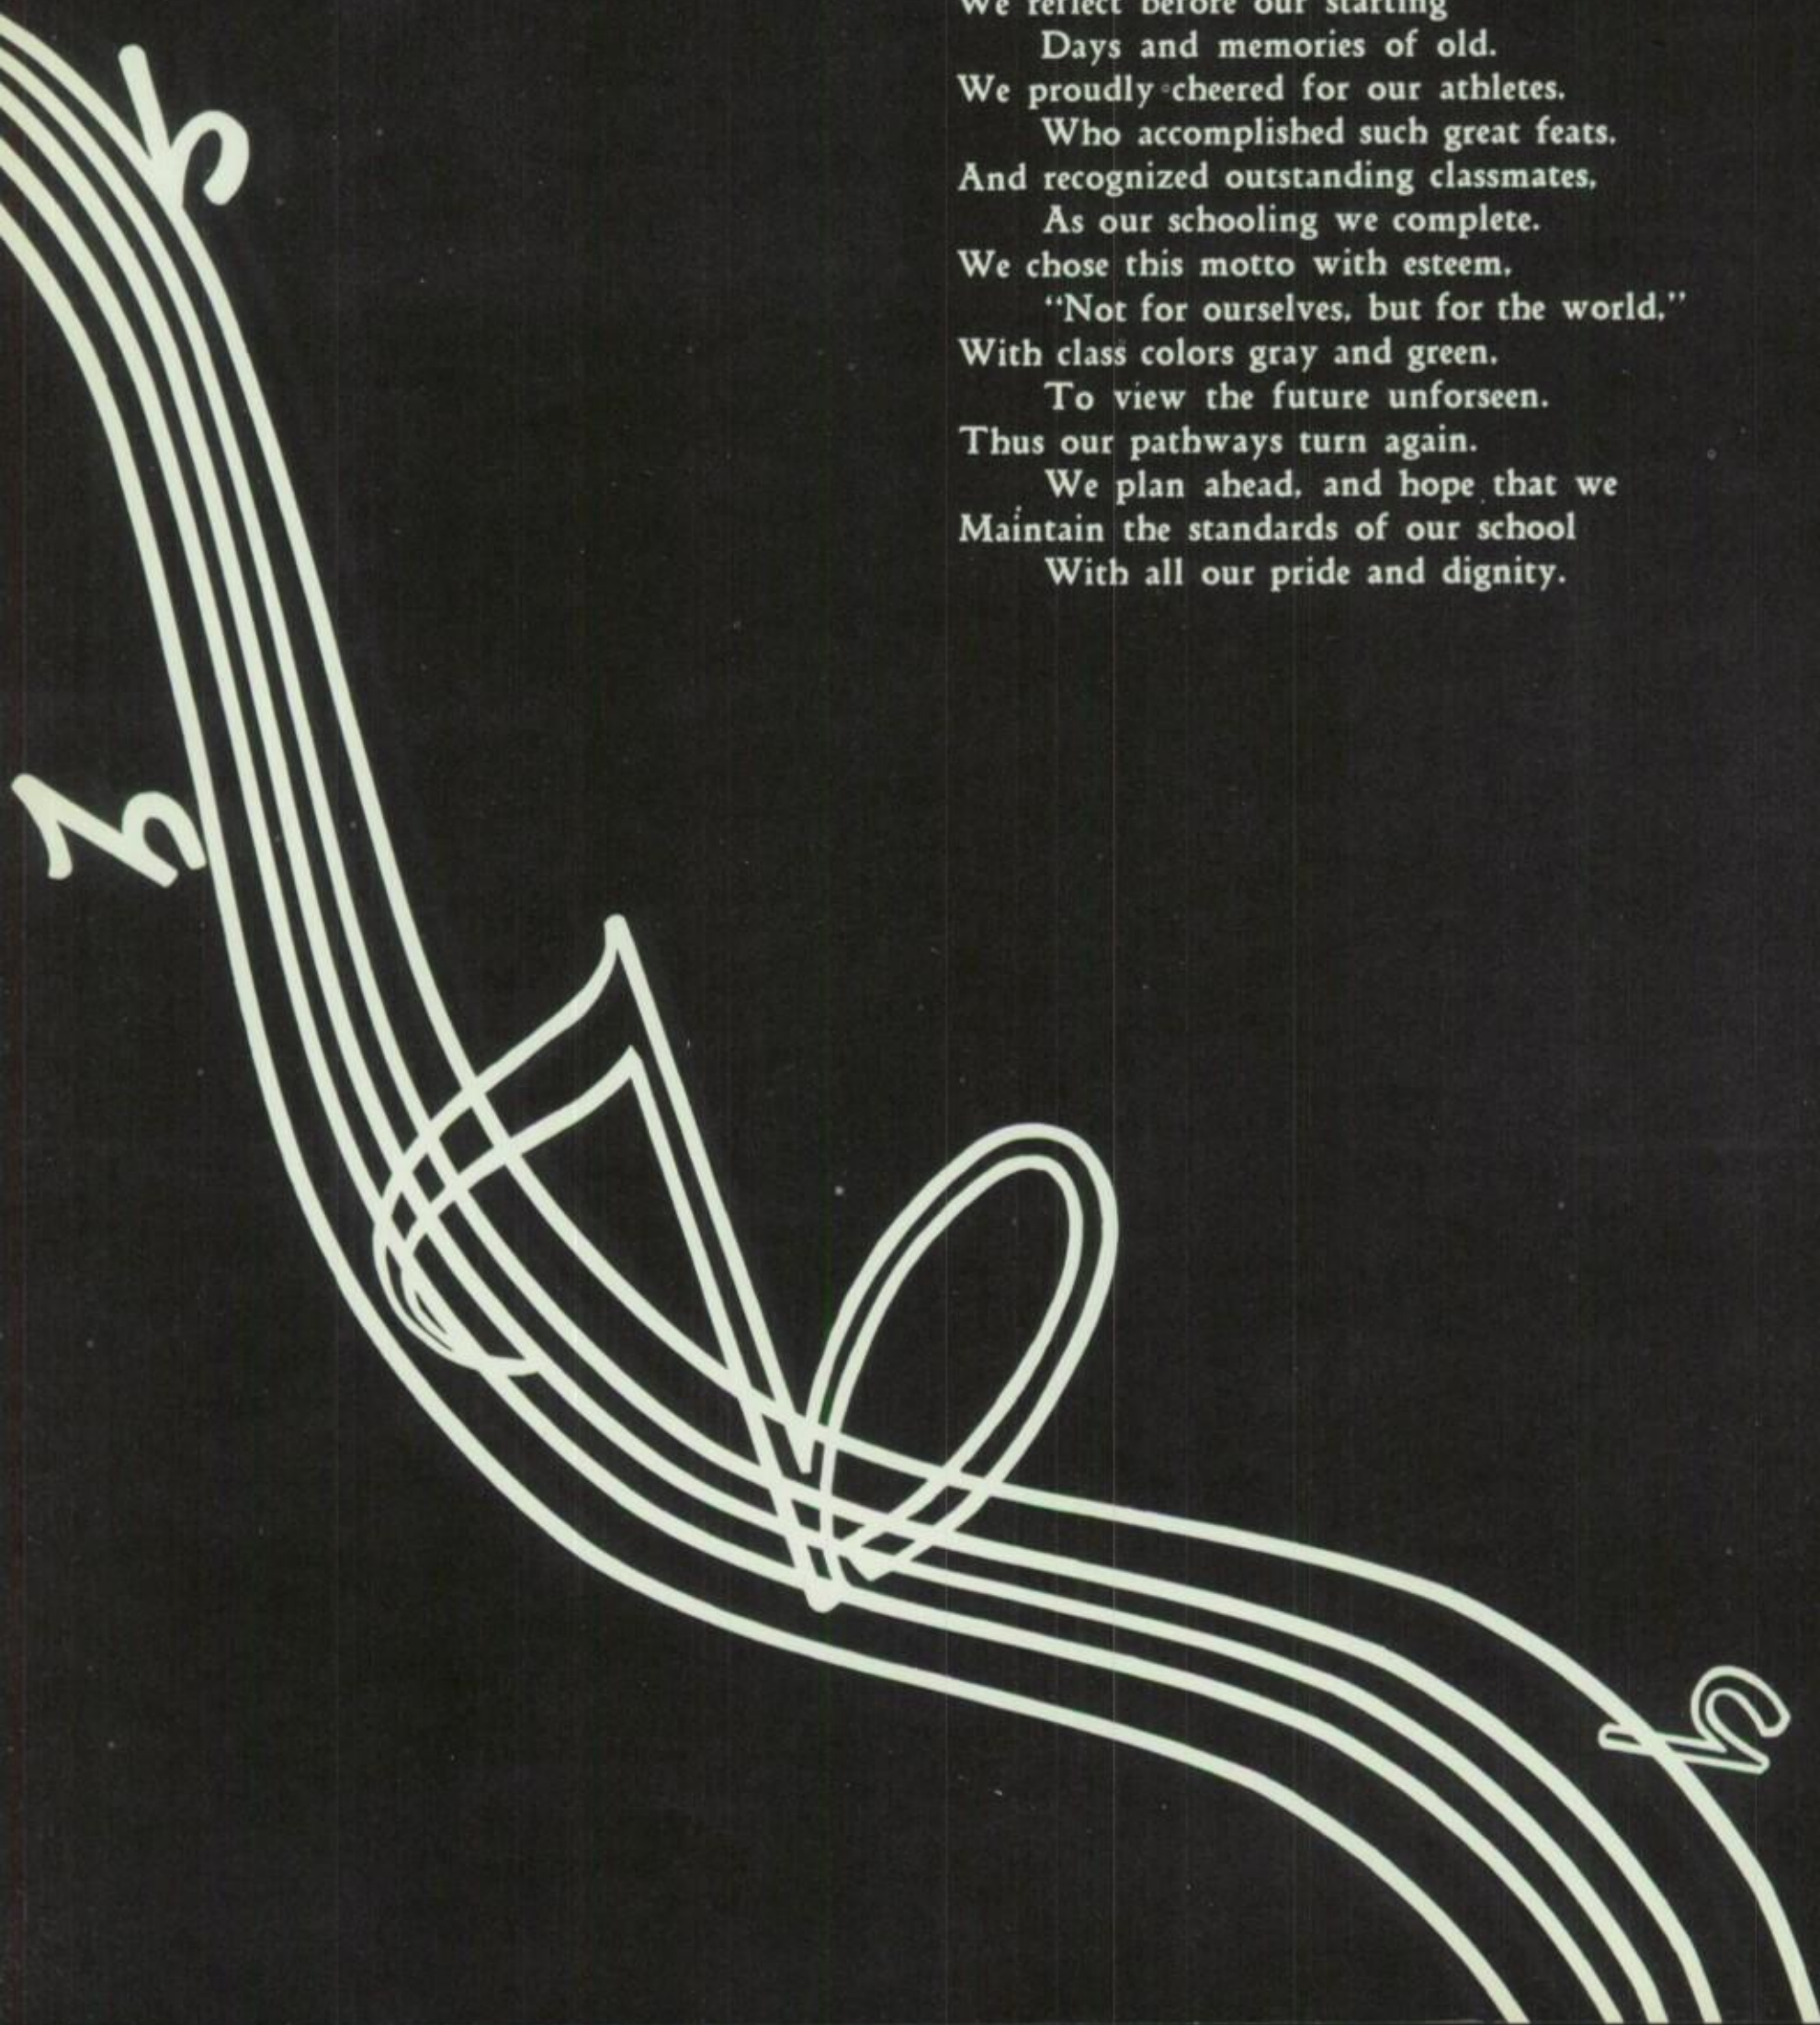

THE CARPENTRY STUDENTS are making certain that the basement of their house is dry. One coat of cement plastic and two coats of water-proofing are being applied. The instructor, Mr. Lindenger, checks their work.

# Class Song

As our pathways now are parting,  
Each to travel to his goal.  
We reflect before our starting  
Days and memories of old.  
We proudly cheered for our athletes,  
Who accomplished such great feats,  
And recognized outstanding classmates,  
As our schooling we complete.  
We chose this motto with esteem,  
"Not for ourselves, but for the world,"  
With class colors gray and green.  
To view the future unforeseen.  
Thus our pathways turn again.  
We plan ahead, and hope that we  
Maintain the standards of our school  
With all our pride and dignity.

# International Cooperation

Under the American Field Service Summer Program, American teenagers represent their schools, communities, and the United States while living with foreign families for six to eight weeks. Frances McMeen became a "daughter" to the Mauno Fredrikson family in Hameenlinna, Finland, during the summer of 1959.

Concerning her trip, Franny says, "I wish everyone could have the experience of living with a family in another country as I did last summer. It seems to me that people are basically the same all over the world although they may differ in language and customs. Realization of this fact will be an important step toward universal brotherhood, the goal for which we all strive."

Olaf Brinchmann-Hansen, one of the 1500 high-school exchange students to America, came to Lewistown on August 18, 1959, from Kristiansund N., Norway, to live with

an American family — the Donald Noerr's — and to study in L.H.S. After graduation Olaf will be seeing places of interest in the United States, which will include a visit to Washington, D. C. to receive greetings from President Eisenhower. He will embark for his home sometime in July.

Olaf gave this message to the LORE staff, "This year at Lewistown High School has been the most interesting year of my life. Each day was filled with joy and happiness. Each day gave me a chance to meet nice people and to experience how American boys and girls live and spend their time. As long as I live, I will never forget this very enjoyable, wonderful year."

The motto of these exchange students — "Walk together, talk together, all ye peoples of the earth, then and only then will ye have peace." This is being practiced and will surely build international roads to understanding.

OUR EXCHANGE STUDENTS: Frances McMeen and Olaf Brinchmann-Hansen.

## Student Council inaugurates new activities

The Student Council is composed of four officers, members of the Senior Class, and one representative from each sophomore, junior and senior homeroom. Meeting once a week, the Council works with the administration in promoting cooperation and good relationship between the administration, faculty, and students. Student Council also sponsors worthwhile projects, Red Cross Drive, Community Fund Drive, Movie Passes, dances, and assemblies.

Junior High Student Council, consisting of one member from each homeroom, has similar projects. In addition, this Council conducts the daily devotions over the intercom system, helps plan the daily menu for the school cafeteria, and at Christmas time, distributes booklets for the children at the Lewistown Hospital. The faculty adviser is Miss Price.

#### OFFICERS

## Our Newspapers report our activities

Our informative newspaper, the *Maroon and Steel*, is published eight times during the school year. Featured in these four-page issues are current school news, sports items, personal feature stories, exchange material from other school newspapers, and alumni news.

The *Vocational Apprentice* provides an opportunity for creative writing by the boys in the Vocational-Industrial Department of L.H.S. Their motto is "Today's apprentices are tomorrow's craftsmen."

The Purpose of the *Junior Hi Lites* is to keep the Junior High student body well-informed about their school news, clubs, sports, and special features.

Devotion to their school is shown by all these pupils who spend hours after school in gathering and in writing news and editorials.

EDITORS FOR THE *Vocational Apprentice* receive some pointers from their adviser, Mr. Hufford. *Left to right are:* Roy Cherry, Charles Laub, Mr. Hufford, Howard Hackett, James Henry.

FRANCES McMEEN, editor, ANNE HUNTER, co-editor, Mr. McMillen and Mr. Swetek, advisers, look over first issues off the press.

THE STUDENT BODY listens to the Concert Choir singing the Ringwald arrangement of "Battle Hymn of The Republic."

## Assemblies enrich our school days

Assemblies are another medium for educating students. The planning and rehearsing of assembly programs provide opportunity for self-expression and develop poise and confidence in students.

There are several paid assemblies throughout the year, and guest speakers occupy the stage for special programs.

A CHALLENGING MESSAGE is delivered by Colonel Charles Stack, Chief of the Office of Information Service at the Omsted Air Force Base at Middletown, Pennsylvania.

"LET IT SNOW, Let It Snow, Let It Snow," sing Richard Weber and Teddy Yeager. Chorus members in the background approve the idea.

MR. DONALD W. DRENNER, Traveling Science Teacher of the Oak Ridge Institute of Nuclear Studies, is testing Norene Stidfole and Ronald Himes to see which has the better sense of balance.

STAGING ENHANCED the choral presentation during the Christmas Assembly.

FACULTY MEMBERS and students dance gaily beneath pale green streamers.

COOL REFRESHING punch was served to us from a Japanese Teahouse.

## *Our Prom provides many wonderful memories*

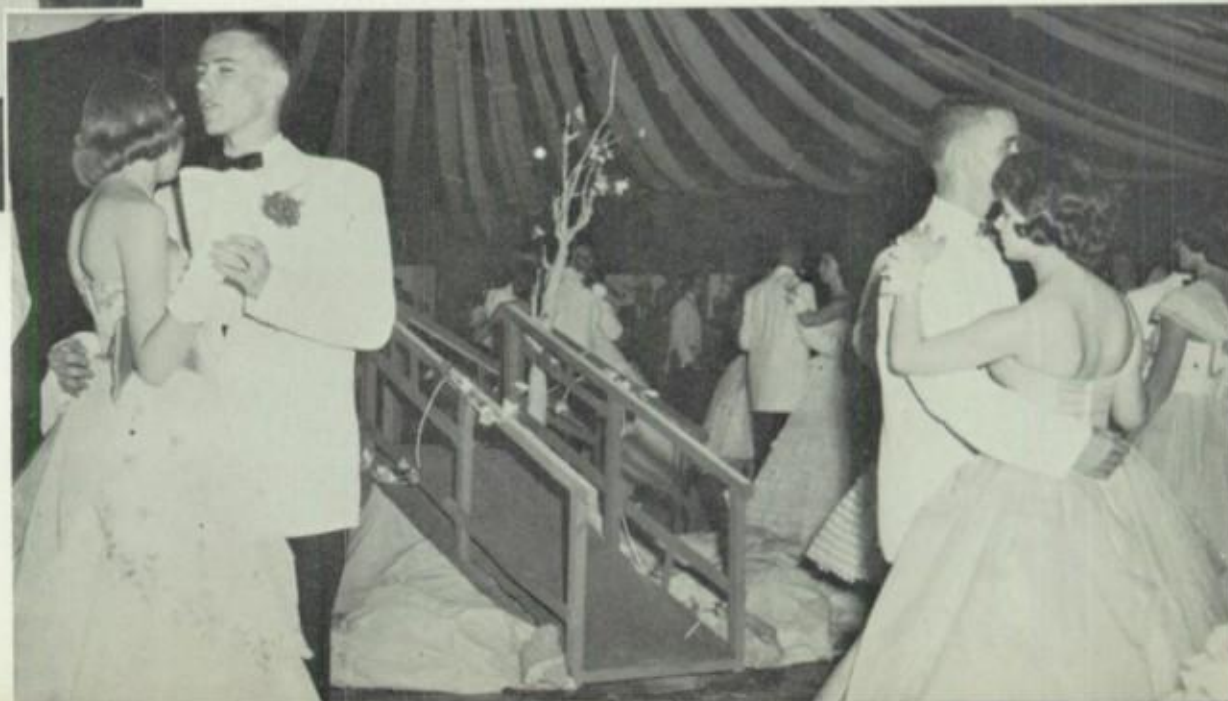

The many social events of our high school career come and go, but the one with never-to-be-forgotten memories was our Junior Prom. Held in the atmosphere of an oriental wonderland, beautifully gowned girls and handsome boys were served refreshments from a Japanese Teahouse and danced beneath Japanese lanterns to the enchanting music of Mal Arter's orchestra.

As we all departed in a festive mood, we took with us many happy thoughts to be stored in our chests of golden memories.

HAPPY COUPLES enjoy a dreamy dance.

AN ORIENTAL bridge was the center of attraction.

# The Marching Band

The Panther Marching Band composed of seventy members, eight high-stepping major-ettes, and five picturesque color guards, is seen and heard through many school activities. Under the direction of Mr. John Reitmeyer, the band supplies music at our pep rallies, assemblies, and football games. This group gives a colorful, enjoyable performance at football half time. The Band also participates in the local parades and in the Penn State Band Day. Musicians are selected to represent L.H.S. at the County and District Band Festivals.

## Our team brings honor

### LEWISTOWN 35 — HOLLIDAYSBURG 7

The season's opener was a smashing victory for Lewistown over a tough Hollidaysburg team. The Panther aerial attack completely stunned the Hollidaysburg eleven. Corky Lutz and Jack Searer caught numerous passes to aid in the victory.

### LEWISTOWN 19 — BELLEFONTE 6

With Bill Moran replacing injured quarterback Tom Brown, the L.H.S. eleven defeated an excellent Bellefonte team. The three Panther touchdowns were made during the first half, while Bellefonte scored for the first time in the closing minutes of the game. Bob Baker added much to the defense.

### 1959 VARSITY FOOTBALL TEAM

*Top row:* Treaster, T. Brown, Swineford, Swisher, Mattern, B. Baker, Lutz, Barr, Price, Stitt, Hartman. *Third row:* Landis, Appleby, Curry, Hogue, Searer, Slemmons, Moran, Coleman, Winn, Pennebaker, T. Wyland. *Second row:* Dr. McClain, team physician; Mr. Ufema, head coach; Noerr, D. Baker, Eisenhart, Sechler, Wiklund, Beckwith, Himes, Fulton, D. Osborne, Marinos, Mr. Mooney, assistant coach; Mr. Stravalo, assistant coach. *First row:* G. Brown, Rupp, Pierce, B. Wyland, McCroy, Henderson, Shilling, Seiber, Grove, B. #### LEWISTOWN 48 — TYRONE 0

Lewistown slaughtered Tyrone as Tom Brown and Jack Searer sparked the Panthers' twenty-second consecutive win. L.H.S. had sewn up the game by half time with a decisive 35-0 lead over the Tyrone team. Ralph Slemons was the leading ground gainer as Nick Beckwith kicked six straight points after touchdown.

#### LEWISTOWN 20 — CAPTAIN JACK 6

Although Captain Jack took the lead early in the second quarter with a score of 6-0, the Panthers came flying back to finish up the half 7-6. The L.H.S. twenty-third win was attributed to a very powerful line which held back the Captain Jack eleven during the entire second half.

#### LEWISTOWN 27 — STATE COLLEGE 6

State College was the twenty-fourth victim of the mighty Panthers. The L.H.S. scoring was begun when Jack Searer blocked a Little Lion punt and recovered in the end zone for a T.D. The Panthers scored at will during the second half.

#### LEWISTOWN 0 — LOCK HAVEN 6

The Panthers' winning streak of twenty-four games was snapped by a tough Lock Haven team. Fumbling eight times and losing the ball on six occasions was very hard on the L.H.S. attack. The gallant Panthers took their defeat like champions.

#### LEWISTOWN 41 — COAL TOWNSHIP 0

Coal Township was undermined by Lewistown's hard-running, hard-hitting, team. The Maroon and Steel boys fought to snatch another victory and to begin a new winning streak. Bill Swineford and Clell Barr showed drive and will to win.

#### LEWISTOWN 7 — CHIEF LOGAN 0

Arch rivals, Lewistown and Chief Logan, met in a close battle on a field of mud. The game was exceptionally well played considering the struggle took place under adverse weather conditions. During the second quarter, Bill Moran scored the touchdown of the game. The Panther line yielded merely nineteen yards while Ralph Slemons and Mike Hogue headed offensive play.

#### LEWISTOWN 33 — SELINSGROVE 6

The Panthers chalked up the eighth victory of the season when they defeated the Selinsgrove team. Bill Moran proved to be an excellent quarterback.

#### LEWISTOWN 7 — HUNTINGDON 0

The last game of the season was a thriller. The Panthers and Huntingdon battled to a scoreless tie until the closing minutes of the game when Bill Moran passed to Tom Brown to break the deadlock. This game was Coach Ufema's one hundredth victory at Lewistown.

#### JUNIOR HIGH FOOTBALL TEAM

This year's Panther Courtmen proved to be one of the most successful Lewistown teams in recent years. With an exceptionally tall and experienced group, the Panthers captured the Mountain League championship and the Kiwanis Christmas Tournament before bowing to Altoona in District Six playoffs.

Compiling an enviable record of 20 wins and 2 defeats, the Panthers defeated most of their opponents by wide margins. Under the tutelage of Coach Jack Houser, these Panthers became known to area fans as a high-scoring and smooth-working aggregation.

Boys who played their last game for the Panthers this year include Jack Searer, Leonard Eby, Ralph Baker, Jack Rosenstengel, Dennis Caldwell, Larry Lauver, Ron Himes, and Bob Swisher.

## 1959 BASEBALL TEAM

*Standing:* Lutz, T. Brown, Searer, Thompson, Noerr, Moran, Osborne, Weible. *Seated:* Curry, Rosenstengel, Donaldson, Wyland, Henderson, Lauver, Ciecierski, Sprout, Mr. McNelis, coach, Walters, manager.

The background of the page is a large, stylized map of a city, likely Philadelphia, showing a grid of streets and a winding river. Overlaid on this map are two graduates. The male graduate on the left is wearing a dark graduation cap and gown, with a dark tie and dark shoes. The female graduate on the right is also wearing a dark graduation cap and gown, with a dark skirt and dark shoes. They are both standing and facing forward.

*We leave  
to travel more roads  
and resolve  
to make our education,  
like them,  
a continuing process  
in the quest  
for growth and expansion.*
